

## Deadly Declarer Play for Advancing Players

Take your declarer play to a new level. In these sessions, we will show you methods that will help you take all of your tricks.

In the first two sessions we will focus on entries. Nothing is more frustrating than having the last trick you need in the dummy with no way to get there. Learn how to avoid that embarrassment.

The second two sessions focus on card combinations. These techniques help the experts take every trick they can. Learn when to finesse, when to duck and when to play an honor. There is science in deciding what card to play. Come learn the secrets!
