Our Ports of Call

Seattle, WA: Nicknamed the Emerald City for its verdant forests and parks, Seattle is also all about the water. Stroll along Elliot Bay at the Olympic Sculpture Park where you can enjoy ocean views alongside modernist artwork.

Ketchikan, AK: The gateway to Misty Fjords National Monument, whose landscapes and dramatic seascapes can only be reached by plane or boat.

Skagway, AK: The great Klondike Rush lives on in Skagway's charming downtown of restored 19th-century buildings and its historic railway.

Endicott Arm Fjord: As you drift through this 30-mile-long stretch, you can't help but be awed by the granite cliffs, waterfalls, drifting icebergs and a spectacular tidewater glacier.

Juneau, AK: The largest state capital, and one of the hardest to get to. Flanked by mountains, tundra and rainforests, it's basically inaccessible except by air or sea.

Victoria, BC: A delightful blend of romantic British pomp and outdoor Canadian pursuits. Explore Victorian architecture at Craigdarroch Castle or visit vivid floral displays that earned the "Garden City" nickname.

No Fear Booking!

We understand the travel future is uncertain.

All reservations and deposits made through our group are fully refundable right up until the final payment date of April 14, 2022.
